Freedom. Flexibility. Options.
*Have it all with Silver Chef
equipment funding.*

“If one thing is certain, it's this: **your business will grow and change.**”

So will your equipment needs. The last thing you want is to be locked into an investment that may not be right for you in the long-term. That's where the funding professionals at Silver Chef can help. We've been offering flexibility, freedom and options to the restaurant and catering industry for over twenty years; in other words, we're here to make your life easier.

The Rent.Try.Buy[®] Solution

Rent-Try-Buy[®] is unlike anything else on the market. **Why?** Because it allows you to save your hard-earned working capital rather than spending it on depreciating assets. And if you exercise your option to buy in the first 12 months, we'll reduce your purchase price by 75% of the rent you've already paid. Who says you can't make your rental dollars work for you?

What funding can you offer me?

We offer funding for all types of restaurant and catering equipment through our standard, flexible option. From coffee machines and cake displays, to fridges and fryers, Silver Chef supports businesses big or small, old or new, Australia-wide.

We can also fund your complete fit-out* - everything from stainless steel benches and shelves, to custom-made equipment, exhaust hoods and POS systems. Ask us how.

*Please note: Silver Chef does not fund tabletop items.

How it works

Our Rent-Try-Buy[®] Solution is perfect for restaurateurs and café owners who want to keep their options open. With Rent-Try-Buy[®], you aren't locked into a long-term contract. We offer a 12-month agreement so your business has the flexibility to:

- Buy equipment at any time during the first 12-months and enjoy a 75% rental rebate.
- Return equipment at the end of the 12-month agreement if it is no longer needed.
- Continue to rent. We'll simply continue to reduce your purchase price.
- Upgrade if you decide your business has outgrown the original equipment.

Once initially approved, you're free to add additional equipment, any time up to your approval limit. There's no need to pay any extra documentation fees or fill out a new agreement!

Example - Standard Option

Just say you rent assets valued at \$10,000. By choosing the Rent-Try-Buy[®] Solution, you can look forward to:

Low weekly rent of	\$115.38
Purchase price at the end of one year	\$6,500
Total net Rent-Try-Buy [®] Payments*	\$10,700
Rental cost of ownership - just	\$700
Net % cost of funding is only	7%

*Net rent after tax savings plus purchase price.

(NB: A refundable security bond of an amount equal to 13 weeks is required with the signed agreement. A Document Fee of \$195 will also apply.)
